The Editor-in-Chief has retracted this article. An investigation by the Publisher has found a number of articles, including this one, which share similar concerns, involving but not limited to, irregularities with respect to submission, authorship, and peer review. The Editor-in-Chief therefore no longer has confidence in the results and conclusions presented in this article.

Harun Jamil and Khan Murad Ali disagree with this retraction. Do-Hyeun Kim has not replied to correspondence from the Publisher about this retraction.
